## EXPERIENCE

### Sierra Donor Services

Sacramento, CA, Organ Donation Coordinator  
*August 2021 – May 2024*

- Evaluate family dynamics and assess family's understanding of the patient's prognosis. Determine when appropriate to initiate the donation discussion.
- Initiates the donation discussion and authorization process for potential organ and tissue donor families prior to, during and after death declaration. Provides families with the detailed information required to give legal informed authorization for anatomical donation.
- Provides education to hospital staff regarding authorization, family care, and donation process.

### Good Samaritan Shelter

Santa Maria, CA, Medical Respite Program Manager  
*June 2019 – August 2021*

- Track and report program metrics and performance for internal and external presentation
- Meet with clients and develop an individualized service plan to address chronically mismanaged medical needs and prevent rehospitalization
- Collaborate with public health organizations to identify individual and community medical needs and develop best practices to address them
